

# SPECTRUM FM RADIO PRESENTS ... CONTINUUM 3: THE CD'S

**Continuum 3: creatures natural and unnatural** was held in Melbourne from 15-17 July 2005 and featured Richard Harland, Poppy Z Brite, Neil Gaiman and Robin Hobb as Guests of Honour as well as playing host to the HarperCollins Voyager 10th Anniversary celebrations. Members and guests had a fantastic time over the three days of the convention which has been hailed as one of the biggest and most successful regional Australian conventions in recent history.

Spectrum FM Radio was present at Continuum 3 and conducted many interviews over the course of the convention for inclusion in a number of commemorative CD's. To purchase one or more of these CD's please complete this form and mail it, along with your payment if applicable, to:
